ABOUT THE FOOD BANK

The **West Texas Food Bank** is a non-profit, non-governmental hunger relief organization. We are the largest collaborative non-profit agency in the Permian Basin, and proudly distribute donated and purchased food to children, families and seniors through a network of **100+** partners across **34,000 square miles** of West Texas.

We serve **19 counties**, including the two largest counties (Brewster and Pecos) in the state.

Our vision is a West Texas without hunger. Therefore, our overall goal is to continually improve the quantity, variety, and nutritional quality of foods offered to agencies for distribution to low-income individuals and families in need.

We will not turn anyone away who is hungry, and there is never a fee to our clients who are in need of food.
